

Autumn Colours Classic October 6-8, 2023

Rules and Tips to Ensure a Fire-Safe and Enjoyable Race Weekend

No open fire pits permitted – chimineas or enclosed/completely screened in containers permitted (violation of this rule will result in charges laid).

- Keep your fire a safe distance from combustibles (ie: trailers, tents, vehicles, etc.) and keep a means of extinguishment (i.e. fire extinguisher) nearby.
- Smoke alarms are required in all camping trailers.
- Carbon monoxide detectors are required in trailers with furnaces, heaters, and/or stoves.

Example of a chiminea

- Keep your outdoor heater a safe distance from tents, etc.
- Propane tanks are to be secured in place, and make sure hoses are in good condition.
- Keep children a safe distance from any fire or heat source.
- All campers must be a minimum of ten (10) feet apart.
- Fire lanes must remain clear and unblocked.

A Fire Safety Message brought to you by Peterborough Speedway in co-operation with the Township of Cavan Monaghan Fire Department
